

**Centre for Employment Relations,
Innovation and Change (CERIC)
Doctoral Conference 2014**

Leeds University Business School,
14th May 2014

The Centre for Employment Relations, Innovation and Change (CERIC) warmly invites postgraduate researchers at all stages of their studies to attend and participate in our 2014 doctoral conference, to be held on Wednesday, 14th May 2014 at Leeds University Business School.

Abstracts are invited from a broad spectrum of employment relations themes covering any aspect of:

- Work
- Employability
- Labour Markets
- Industrial relations / trade union movements
- Human Resource Management

We welcome presentations on any aspect of your research project and offer a friendly and encouraging setting in which to present and discuss your work in progress, or your research findings. At this stage, we anticipate that the timing allocation for oral presentations will be fifteen minutes, with ten minutes for discussion afterwards. This will be confirmed once all

submissions have been assessed and a final and a final number of speakers has been agreed. A poster session will also be held which is an ideal opportunity for first year students to showcase their work. Buffet refreshments will be available.

If you are interested in presenting (oral or poster) please submit an abstract of up to 300 words by Friday, 11th April 2014 to Danat Valizade, a member of the organising committee, via email: bndv@leeds.ac.uk. Notification of acceptance will be sent by Friday, 18th April and the programme will be finalised nearer the date of the conference.

CERIC is pleased to offer a prize for the best presentation, which will be the costs (up to £500) to cover attendance at a leading national conference of the student's choice. There is also a prize of £100 for the best poster.

For any queries please contact the organisers at
bndv@leeds.ac.uk
